Description

Our buoy is a product that makes the time spent in the water more pleasant and ensures the safety of the swimmer. It is braided with a durable rope with a tape designed to be put on the torso. Inside there is a screw-on container where you can store handy personal items, such as keys, telephone etc.

The buoy has an additional cap securing the inner container against getting wet, and the manufacturer recommends securing the things stored inside by placing them in a waterproof bag.
